There are three ways that you may pay for the services we provide to you. You should discuss these options with your adviser and agree on an option that best suits you. Any of the below payments will be made as agreed with you or to the extent permitted by law. The options are as follows:

2. You may pay our fees out of the product in which you invest. The product provider may pay to us remuneration out of:
  - a) A contribution fee which will be deducted by the product provider from your initial investment amount when you proceed with a transaction;

  - c) An Adviser Service Fee that you may agree to with your adviser for ongoing advice and service in relation to your investment in certain products. In relation to risk insurance products, the product provider may pay commission to us out of the premiums paid to it. For information on the fees applicable to the financial products recommended for you, please refer to the relevant PDS or refer to the **Adviser Profile**.

3. You may agree to pay for the service by means of a combination of the above two options.
